Balsamic Strawberry & Basil Bites

(Recipe from Essence: Discover Flavours from the Western Australian Coast)

1 punnet of strawberries, washed and halved
1 tub Udder Delights Goat Curd
24 Walnut oatcakes
Original or Fig Vincotto Cream
Handful of finely shredded basil

Arrange the oatcakes on a serving platter. Using two teaspoons, top each one with a little goat curd. Place half a strawberry on top, cut side down. Drizzle a tiny amount of vincotto cream over each strawberry and a few shreds of basil. You can also sprinkle with freshly ground black pepper.

Serve immediately.
